Hello everyone,

Writing to provide an update on the Westside Armory Winter Shelter transportation question. A constituent complaint had been reported to us regarding participants not being able to access a Winter Shelter bed during Armory drill dates when the Winter Shelter operations transfer to Athens Park.

We have confirmed with the provider, First to Serve, that they will now operate two buses on the drill dates in order to transport more participants to Athens. We're working with First to Serve and the National Guard to confirm the remaining drill dates. We will revise our Winter Shelter flyer with the updated drill date and transportation information and share that with you all as soon as possible.

Please let us know if there are any other questions regarding this matter and we'll do our best to assist.

Thank you,
